_____ On a drop in basis

*** Morning care is held daily in the Little School. It begins one hour before school (7:30) and will open even if there is a late opening. It is very important to understand that this program is need based. We can only take ten students per morning. Families whose work schedules conflict with the start of school will be given first consideration. Drop-ins are welcome if arranged twenty-four hours ahead of time. If you have any questions please give us a call.**
