

## MIDDLE SCHOOL SUPPLY LIST

The middle school faculty will order many of the supplies your child will need. Our goal is to implement a system for all students to help them be well organized and well prepared for class. By buying most of your child's supplies in bulk, we hope to save you time and money. The first day of school they will receive binders, dividers, paper, notebooks, index cards and assignment books. Please limit the supplies your child brings to school to the list below to improve the chances of success for our organization system.

### Fifth Grade
